## Residential: Electrical-Plumbing-Mechanical-Roofing

The City of Wallis adopted the 2015 International Building, Residential, Plumbing, Mechanical, Fuel/Gas and Energy Conservation Codes and the 2014 National Electrical Code.

When is a permit needed:

- Electrical Upgrades/Repairs- A permit is required for all service upgrades, service repairs or circuit replacement.
- Plumbing Upgrades/Repairs – A permit is required when a gas line is added, replaced or repaired, installing gas logs inside your fireplace, replacing a gas or electric water heater, adding a water softener to your home or sprinkler system, replacing water and sewer lines, major plumbing repair.
- Irrigation Systems – A permit is required for the installation or repair of all residential irrigation systems. An approved backflow device must be installed with each sprinkler system and a backflow test report must be submitted to the city.
- Mechanical upgrades/ Repairs – A permit is required when an air conditioner or furnace is installed or replaced.
- Roof – a permit is required for all roofing projects.

What is needed to obtain a permit? – A plan review is not required, but a permit fee is due upon permit issuance.

Submittal documents: Fill out a Residential permit application and Contractor Registration

Inspections – Inspections are covered in the permit fee, unless it is a failed inspection then a **\$75.00** fee will be charged for reinspection.

Request an inspection by calling Wallis City Hall 979-478-6712 Option 4 and Option 1. Can also be emailed to [cityclerk@wallistexas.org](mailto:cityclerk@wallistexas.org).

A permit becomes null and void if work or construction authorized is not commenced within 180 days, or if construction or work is suspended or abandoned for a period of 180 days at any time after work is commenced. All permits require final inspection.

I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.
