

YOUR OPINION IS IMPORTANT!

The City of Wallis wants to collect information from its residents that will be taken into account when making a Comprehensive Plan for the next 10 years. The Plan will review existing conditions and provide recommendations on housing, land use, economic development, parks and recreation, and infrastructure opportunities (water, drainage, streets/thoroughfares).

Public participation is key to a plan's success. Your contribution will help us better understand the needs of the City of Wallis and its residents.

Please share your opinions in a short survey using the links below.
