Hello,

We have just become aware we are eligible for new equipment under JAG. These applications are due by February 12th, including signed resolutions. Below is the equipment, a quick description and an estimate of pricing on what we are looking to apply for. These grants have **no match requirement**, meaning we would have no financial obligation to contribute if approved.

Ticket writers & printers - \$15k – needing to upgrade our ticket writers and printers

Night vision – 60k – looking to purchase a night vision scope for a sniper rifle, and night vision monoculars

Breaching – 3k - in accordance with new Texas laws, we need to upgrade our breaching and ballistic equipment to meet standard regulations. This would include battering rams, Halligan tools and bolt cutters

Ballistic – 75k - in accordance with new Texas laws, we need to upgrade our breaching and ballistic equipment to meet standard regulations. This would include ballistic shields and helmets

With Gratitude,
